Current Volunteer Opportunities for the Rose House

We are so excited about your willingness to come alongside the Rose House to share your gifts and the love of Christ!

Here is a current list of volunteer opportunities. Please keep in mind that serving does not mean you need to have a certain skill set. We can offer opportunities where you are just in fellowship. Knowing someone cares enough to be a part of their lives is a huge blessing.

Weekend Warrior Project – This program is for those that desire to be a part-time resident manager from 8:00 am Saturday to Sunday at 6:00 pm. We have a guest room available with a twin bed and enough room for a blow-up mattress if needed. Each manager/supervisor will have the ability to plan activities for the residents on Saturdays between breakfast and dinner, which take place on campus. If the residents will be off campus for lunch, (park, etc.) lunch should be brought with the group (they can make sandwiches) or donated by your organization. Ideas for off-campus activities: movies, putt putt, bowling (we provide \$5 each for 3 games & rental), Top Golf, with the approved budget, visiting a different church or church event, Cookout and fire pit preaching, additional bible study group at a special location, additional recovery or 12 step group, beach, park, Vereen gardens, other options can be discussed for approval through DOO. With special approval, a weekend getaway would also be an option if proper supervision with staff members is available. These must be planned well in advance.

Activity Director for Evening or Saturday Night – Come host a day, an afternoon, or a night to play a game or games with the ladies, we have a closet full, but feel free to bring your own! We have a cornhole for outdoor, and a firepit. Residents love the interaction of games - playing bingo (we try to have little prizes for this, candy is good or little encouragement items), watching a movie (G or pg-13 (not violent or with foul language), a very fun group, Disney movies, or action and Christian movies are their favorite. Provide even an evening of worship and/or guest speaker with activities – painting, crafts, cooking/baking, any type of project!

Volunteer Drivers – This is a priority need. This would keep our program running smoothly & more efficiently by not utilizing a needed staff member. As a volunteer, driving a resident to an appointment provides help in this area as well as being able to be a witness for Jesus.

Program Volunteer – Our programming runs from 8:00 am to 5:00 pm Monday – Friday.

1. Provide a Meal: Monday – Sunday - Volunteer to come in and cook or drop off food for breakfast, lunch, or dinner, allowing the residents to be relieved from kitchen duty that meal.
2. Chapel Speaker – 9:00-10:00 – All about the Word of God!
3. Speaker Meeting –10:30 – 11:30 This portion of the program is designed for testimonies (these do not have to be your personal struggle, but could be how God worked in your life to bring you where you are in your current job, ministry, etc.) specific subject teachings (co-dependency, recovery techniques, biblical truths, life skills, career development, cover a book chapter, etc.) As an example, classes have been given on sign language, Bait of Satan bible study, time management, resume building as well as many others.
4. Lunch 12:00-12:30 – All guests are invited to stay for Lunch. If you have an early opportunity, you may stay and assist by monitoring a class, so staff is able to attend to other items.
5. Life Recovery Class – 12:45 – 1:15 A biblical guide through the 12 Steps – Here, a volunteer could supervise in a classroom environment, while the residents navigate their way independently through guided questions in their workbooks. The Life recovery workbook is designed to provide encouragement, introspection, personal growth, and self-discovery and give the tools necessary for the residents to build a renewed life grounded in biblical truth. Being present in any of our classes allows our staff additional time to support the residents and the program behind the scenes.
6. 12 Step Small Group – 1:30-2:45 The core of our program, where residents sit together in a more relaxed location (living room, outdoors on the couch, at a park close by, etc.) This is where they each take turns reading the questions and sharing the hard truths about their journey in addiction. After everyone has shared, fellow residents share insights, and staff sitting in can speak into the situations with God's truth and encouragement.
7. Projects: 3:30-4:30 – A time where residents learn skills as they care for the home and property where they live. Join us as we paint, stain, clean windows, organize closets, kitchen cabinets, and refrigerators, etc.
8. Dinner – Varies, after 5 – Several residents are on the work program for the last few hours of the day and return at varied times. As stated above meals can be provided in-house or out.

Donations – Volunteer to be the Rose House Coordinator for your church or organization. This position would be the go-to for the Rose house communication of items needed, alleviating several calls from the same church/organization.

- Volunteer to be a part of our Household needs pool. When needs are determined, they are distributed evenly over this pool of volunteers. Ex: toiletries, paper goods, ring notebooks, pens & highlighters, laundry supplies, specific clothing items, (socks, underwear) that we do not get from our donation closet.
- Clothing – Many people in our community donate clothing to the Rose House. We are so grateful! We would ask that if your organization has donations, prior to donating, the RH coordinator go through and sort out any clothing that may not be gently used or age appropriate. The coordinator can contact the Rose House Operations Manager (Tracy Soto) to see if there are any Immediate clothing needs in the house, otherwise, we request that you contact Pam Bromley from Beulah Baptist Church (540-273-0894) as they have a donation closet that woman shop 1x a month.) Many of the women are requesting clothing they can wear to church, whether it be nice jeans, dress shirts, dresses, or slacks.
- Monetary Donations – Provides all the support to run our organization! Thank you! We invite you to contact the DOO to discuss any immediate needs to bookmark your donation but be assured anything they need is provided thanks to generous donors like yourself!
- Staff Support – support our staff members by taking them to lunch or sending cards of encouragement!
- Prayers, prayer, prayers. We appreciate your prayers for our organization and our residents, both male and female.
