

Howdy and Hello! My name is Nathan Isaiah Ramey, and I am 17 years old and the oldest (along with my twin sister) of 7 kids. I am the Systems Assistant here at CRCI and I assist with the systems. I joined CRCI for several reasons. First, I wanted to do something that would have a major impact on other people. I'm quite handy with computers and since there was a need for a person to help with IT - I gladly filled the position! Finally, I wanted to work in an environment that was Christian and Godly so I could strengthen my own faith and help others with their walk.
