# Rose House Grand Opening Coming Soon!

It is with much anticipation we have continued to tackle all the problems this project faced. From design issues, to supply chain shortages, and not to mention a national pandemic this new facility has overcome it all. Your support has meant the world and we want you there to share in the celebration of this awesome community resource.

### **ROSE HOUSE**

Grand opening is coming soon. This 10,000 SQ FT property boasts enough space for 28 residents, 10 staff members, and other state of the art amenities. Join us at the grand opening event happening soon!

### TESTIMONY

Hear from two program graduates who share their stories of sadness and despair to hope and restoration. We believe miracles can happen when you surrender to the recovery process and allow God to move in big ways.

#### **CRCI PROGRAMS**

It is CRCI's goal to provide as many resources as possible to program residents and graduates. Flip through to learn more about just a few of the programs CRCI offers. And it's all free of charge!

# PLEASE JOIN US FOR THE ROSEHOUSE

### **GRAND OPENING COMING SOON!**

The Property not only includes space for 28 residents, staff, dedicated office space, a board meeting room, a newly renovated chapel, a fully commercial kitchen, and a lounge area, it includes artwork like these benches you see here on the right. The Saint James Woodworking crew of three work about 5 days a week for 6 hours a day carving these sturdy, Japanese styled masterpieces.

# TESTIMONY Chelsea and Eric's New Lease on life

### CHELSEA

Heavy drug use, abusive relationships, and living a life running away from God are what brought Chelsea to the Rose House. It took hitting rock bottom, being stripped of all resources, and being sick and tired of living in total darkness before she came to terms with the fact that she needed help. Before the program she had no hope of a future, and her life was full of despair. However, in just a short amount of time her life has changed drastically through the support, encouragement, and loving guidance from everyone at the Rose House. This process has been one of the toughest yet rewarding things Chelsea has ever done and God has been with her through it ALL.

(ERIC)

Eric's divorce led him into his addiction. Once he found CRCI he committed to the process and is currently 6 months clean! He worked hard to rebuild his life by working on restoration with family and by seeking God's will daily. It was through the saving power of Jesus Christ that he was able to be so successful. Eric expressed how much it means to have people like Miss Sam, Pastor Tony, and David Brock who saw something in him and who have been a mentor to him in this process. He has so much gratitude towards the leaders at CRCI and is determined to give back to the program the Leadership Development Initiative (LDI).

For I know the plans I have for you, "declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11 NTV

### LEADERSHIP DEVELOPMENT INITIATIVE

## CHRISTIAN CENTERSINC

The Leadership Development Initiative (LDI) is a program designed by CRCI to provide a direct path forward for exceptional residents who wish to begin a career in the field of Addiction Recovery. This program is a 1-year commitment that residents may apply for once they have successfully completed the first three phases of the inpatient recovery program. LDI participants will be provided in-depth training in the exact services that have assisted them as residents, and they will learn how to facilitate this type of intensive recovery environment as they move forward as leaders. Educational opportunities and professional certifications will be provided to each LDI participant at no cost through our partnerships with Brunswick Community College, Brunswick Literacy Council, and Peer Recovery Resources. Any person who completes this advanced training program will have the opportunity to apply for a full time staff position at Christian Recovery Centers Inc. to practically apply their experience and education as a legitimate professional.
