## WHO WE ARE

Christian Recovery Centers, Inc is a network of non-profit drug and alcohol treatment centers specializing in helping those who voluntarily seek assistance for a substance use disorder. We are not traditional short-term rehabilitation facilities.

CRCI is a faith-based program that includes multiple types of recovery resources, including the 12-step program and therapeutic professional services. There is no cost to residents or their families for full participation. This is a proven program that works well for anyone willing to adopt it.

## PROGRAM OVERVIEW

### Men's Program & Women's Program

- 18-30 week residential treatment
- No cost - no insurance required
- 4 phases, including an introductory phase and final phase that incorporates long-term planning for continuing care
- 24/7 on-site supervision

### Leadership Development Initiative (LDI)

- Residents who wish to begin a career in the field of Addiction Recovery
- 1-year commitment
- Educational opportunities and professional certifications
- Full-time staff position opportunity at Christian Recovery Centers Inc after completion of the LDI program

## REQUIREMENTS

- Residents must be personally willing to enter the program, including court ordered participants.
- Residents must willingly comply with all program guidelines. CRCI is not a lock and key facility, and participants may discharge themselves at any time.
- Residents must be in good physical health (sit, stand, walk without assistance) CRCI is not a medical facility and cannot store, prescribe, or distribute prescription drugs.
- Residents must be free to travel across state lines without restrictions (parole/ probation officers are generally willing to work with us and provide travel permits to residents in the program with prior approval).
- No mood- or mind-altering substances are permitted on CRCI campuses (including antidepressants, anti-psychotics, pain killers, sleep aids, etc.). This includes both prescription and OTC medications.
- Due to zoning and program activities CRCI is not permitted to accept sex offenders.
- Nicotine-free program
- Residents must be willing to shave their face and trim their hair to a suitable length as determined by staff upon entry and at any time as required for program participation.
- Contact is limited to immediate family (wife, husband, mother, father, siblings, children) for all residents for the duration of the program.
