CRCI'S OFFICIAL
NEWSLETTER
SPRING 2024

I feel like it was just yesterday that we were celebrating Christmas, and in reality, we are already three months into a new year. I have to admit, our team at **Christian Recovery Centers, Inc.** has been filled with excitement after witnessing all the things God has done for us in 2023. Personally, I am filled with gratitude for what God continues to do through this ministry. As our occupancy grows, I often find myself not recognizing more and more of the faces I see when I walk down the hallway. To some, this may be a disappointing realization, but for me, it brings encouragement. Just think, this person I have never seen before has already been ministered to by so many of our loving team members. They have most likely communicated with their family, helped them navigate through detox, worked through the waiting list, provided them with a bed date, arranged transportation, guided them through the check-in process, shown them to their rooms, and engaged with them in a transformative way. I am so encouraged that others have stepped up and taken the reins because they too believe in our mission.

Christian Recovery Centers (CRCI) puts intentional efforts towards reaching out to churches in our community. One of the greatest partnerships we have is with a flurry of churches in our local community who love having our residents attend their services. Oftentimes, these churches will allow us to conduct the entire Sunday morning service, with our CEO Josh bringing a timely and spirit-filled message. The greatest impact can be found in the impression left on our residents by these welcoming and encouraging ministries. Many of our residents will be reintegrating into our local community after going through our program, and finding a church they can call "home" is at the top of their to-do list.

1 in 9 individuals will develop a substance use disorder that would require residential services.

A CULTURE OF SELFLESS SERVICE & MEANINGFUL IMPACT

CRCI is special in many ways. One of the things that sets us apart is our culture of selfless service. Our team has such a heart for the people we serve that they dedicate countless hours to developing and improving their skills. One valuable tool they use to identify areas for growth can be found in our core values.

Over the past four years, CRCI's employees and volunteers have proven to be a vital part of the engine that has propelled us forward in numerous ways. If you believe that our work is meaningful and would like to get involved, be sure to check out our employment and volunteer opportunities. We may not be able to reach where God wants us to without you!

CORE VALUES

Community

We thrive by interacting with others. Healthy connections create a new sense of community, decreasing our dependence on outside sources that have proven to be detrimental in the past.

Compassion

Meeting others where they are and sharing with them the love of Jesus – His mercy and grace – Believing change is possible for others even when they cannot believe it themselves.

Continued Growth

With continued personal growth, we develop a change in our mindset, allowing us the capacity for gratitude. This gratitude compels us to *give* more than we *take*.

God Honoring

We do all things as if they are unto Him who made us. We are called to serve our highest purpose, treating others as children of God.

Self Awareness

One's lack of awareness of their own potential is a common misconception that keeps people from living a high impact life. Our interaction with others leads to a public perception and we constantly work to recognize and improve this revelation.

FEEDING THE 5,000

As our ministry continues to grow, we can understand why Jesus made food a significant part of everything he did. With CRCI's new capacity of 162 beds, we will soon find ourselves preparing almost 500 meals a day. Can you imagine the size of that grocery bill?

CRCI has already established meaningful partnerships with Brunswick Family Assistance and Second Helping, who have been instrumental in supporting us in feeding our 500. Our dedicated kitchen service team ensures that every food donation we receive goes as far as possible. If you would consider partnering with us in this avenue, please reach out to our Development team. As this need grows, we know we will require even more support for our food service ministries.
